BAÑERAS

bathtub / baignoire

Serie Acrílico

Las bañeras acrílicas nacen de la necesidad de dar respuesta a las últimas tendencias en interiorismo de baños, pero también a la practicidad y funcionalidad, todas esas particularidades que realmente condicionan el uso diario del equipamiento. Por ello os mostramos en esta sección, una amplia gama de bañeras acrílicas, adaptables a cualquier espacio, tanto en forma como en tamaño. Se caracterizan por su fácil instalación, limpieza, mantenimiento y durabilidad y por su atractivo estético, una superficie lisa, suave, cálida y agradable al tacto y libre de poros. Muchas de las opciones que os mostramos incluyen un equipamiento de hidromasaje, opciones de cabezal y opciones de faldón según modelo.

Acrylic bathtubs originate from a need to respond to the latest trends in bathroom design, but also from practicality and functionality, the particularities that really condition the daily use of the equipment. This is why we show you in this section a wide range of acrylic bathtubs, adaptable to any space, both in shape and size. They are characterized by their easy installation, cleaning, maintenance and durability and by their aesthetic appeal, with a smooth, warm surface, which is pleasant to the touch and pore-free. Many of the options that we show include hydro-massage equipment, spine options and skirt options according to the model.

Les baignoires acryliques surgissent de la nécessité de répondre aux derniers tendances du design d'intérieurs de salle de bains, mais aussi au caractère pratique et fonctionnelle ; toutes ces particularités qui conditionnent l'usage quotidien de l'équipement. C'est pour cela que nous vous montrons cette vaste gamme de baignoires acryliques, adaptables à tout espace, forme ou taille. Elles se caractérisent par leur installation, entretien et nettoyage simples, leur durabilité et leur attractif esthétique, une surface lisse, douce, chaude et agréable au toucher et sans pores. SERIE ACRÍLICO

Acrílico

Serie fabricada con materiales acrílicos, de color blanco puro y acabados brillantes, este material cede calidez al tacto, una gran resistencia y fortaleza a los impactos, ruidos y deformaciones, fiabilidad y durabilidad a todos los elementos que componen el baño, desde platos de ducha hasta columnas y cabinas, haciendo que sea considerado un material ideal entre fabricantes y consumidores para el diseño de cuartos de baño.

Series made of pure white acrylic plates with bright finishes. This material gives warmth to the touch and grants great resistance, reliability and durability to all the elements that compose the bathroom, from shower trays to columns and cabins. This is why it is considered an ideal material by manufacturers and consumers alike for bathrooms design.

Série fabriquée en plaques acryliques de couleur blanc pur et finitions brillantes. Ce matériau rend très chauds au toucher, très résistants, fiables et durables tous les éléments de la salle de bain [receveurs de douche, colonnes, cabines, etc.] et il est idéal pour les fabricants et consommateurs pour le design de salle de bains.
